

Florent SANLAVILLE

JUNIOR WEB DEVELOPER

PROFIL

Web developer, junior profile, in resumption of activity after several years in another sector.

For more informations on my background, please visit my website or my LinkedIn profile.

PROFESSIONAL EXPERIENCES

CrossFit coach

CROSSFIT HABSHEIM, France | May 2017 - January 2022

- Volunteer coach for adults and kids (5 to 18 years old).
- CrossFit Level One and CrossFit Kids certifications.

Junior full-stack developer

JACANDO AG, Basel - Switzerland | October 2018 - April 2021

- Technos: React.js, Node.js (Express), GraphQL, Apollo server & client.
- My main tasks were the integration of the Back-end into React Front-end components.
- I was also able to work on specific Front-end tasks in CSS or JS algorithms in Back-end.
- Due to covid pandemic, I was 0% of working time from February 2020 to April 2021 when I left the company.

Junior full-stack developer

AIRCAMPUS, Mulhouse - France | March 2017 - October 2018

TEEWII, Mulhouse - France | October 2016 - October 2018

- Technos: Node.js (Express, Next.js) and React.js
- I worked both on tasks related to the Back-end and the Front-end but also on the integration between the Back and the Front.

DIPLOMAS

Licence: IT developer

UHA 4.0, Mulhouse - France | 2015 - 2017

Licence Pro: management of leisure establishments, Casino option

Université Paris-Est, Marne-la-Vallée | 2012 - 2013
